KEYNOTE SPEAKER

Sir Anthony K. Cheetham, FRS

Tony Cheetham is a Research Professor at the University of California, Santa Barbara (UCSB), and a Distinguished Visiting Professor at the National University of Singapore. He was formerly the Goldsmiths' Professor of Materials Science at the University of Cambridge (2007-2017) and the

Treasurer and Vice-President of the Royal Society (2012-2017). He obtained his D.Phil. at the University of Oxford in 1972 and did post-doctoral work in the Materials Physics Division at Harwell. He joined the Chemistry faculty at Oxford in 1974, and then moved to UCSB in 1991 to become Professor in the Materials Department. From 1992-2004 he was the Director of UCSB's Materials Research Laboratory.

Cheetham is a leader in the materials chemistry community and renowned for his contributions to the development of procedures to study the structures of materials and deduce their chemical, mechanical and physical properties. He is a Fellow of the Royal Society and a member of the American Academy of Arts and Sciences as well as several other national academies.

Cheetham has received numerous awards for his work in the field of materials chemistry, including the Sômiya Award of the International Union of Materials Research Societies, the Platinum Medal of the Institute of Materials, Minerals & Mining and a Chemical Pioneer Award from the American Institute of Chemists. In January 2020, he was knighted by Queen Elizabeth II for "services to materials chemistry, UK science and global outreach."

STUDENT SPEAKER

Guercie Elizabeth Guerrier, BA, CST '22

Guercie Guerrier is graduating with a bachelor's in biology and a minor in sociology of health. Her research experience includes working at the Lewis Katz School of Medicine's Fels Cancer Institute for Personalized Medicine and the Center for Asian Health.

Guerrier has presented her research at the CST Undergraduate Research Symposium, Health Disparities Research Innovation Summer Symposium, Temple's Symposium for Undergraduate Research and Creativity and other symposiums. She is co-author of a research abstract in the Proceedings of the American Association for Cancer Research Virtual Conference in 2021.

Guerrier has earned several awards and scholarships including MARC U-STAR Scholar and Dr. Martin Luther King Jr. Scholarship Trust Fund Scholar, and the Dr. Carl and Margaret Burk Award. She is also a Temple 2022 Diamond Award Recipient and a member of Alpha Kappa Alpha Sorority, Inc. She has served as a CST peer advisor, an Owl Team orientation leader and a university resident assistant.

Guerrier will attend the University of Massachusetts Chan Medical School Postbaccalaureate Research Education Program. Her goal is to be a physician-scientist whose research positively impacts traditionally medically underserved communities.
