

**Welcome to
Temple University
and the
College of Science and Technology**

Your education is about to begin.

So, how do you **succeed at CST?**

Three steps to **success...**

1 Ask questions

- Professors
- Faculty advisors
- Advising staff
- CST Peer Team
- Student advocates
- Find a mentor!

2 Seize opportunity

- Undergraduate Research Program
- Student Professional Development

- Job fairs
- Student organizations
- Challenge yourself!

And most importantly...

3

Go to class!!!

- Participate
- Take notes
- Do the work

- Check the work
- Have academic integrity!

Science & Technology:
Shape our world

Science & Technology:
Will save our world!!!

- Vaccines & drug discovery
- Renewable energy breakthroughs
- Designing new materials
- Harnessing power of Big Data through AI/ML
- Sustainable development
- Will be created by people just like you!!!

Start with one goal.

Graduate on time!!!

And you do that by..?

Going to class!!!

**Have a great year
and
good luck!!!**
