WHERE: Howard Gittis Student Center at Temple University

THEME: Contemporary Global Health
Authors are encouraged to submit abstracts relating to current and emerging global health issues. The project must fit into one of the following categories: basic sciences, clinical research, public policy, behavioral sciences or health economics.

Submission Deadline — Abstracts are due by March 17th, 11:59 pm. See the list of components below for specific details.

Abstract Notification — Presenters will be notified via email of abstract status by March 31st 11:59pm.

RULES & REGULATIONS

1. You do not have to be a member or affiliated to any of the participating organizations to submit an abstract.

2. An author may not present more than one abstract during the Global Health Conference.

3. The presentation must adhere to standard formats described here: http://bit.ly/PosterEx

4. Presenters who fail to show up for their scheduled presentations without notifying the conference committee of cancellation will not be permitted to present papers or posters at any Grassroot Soccer sponsored health conference, in the near future. They also forfeit any and all rights to poster space.

5. If you are late, you are not entitled to the allocated space.

6. Presenters will not be financially compensated for their presentation.

7. It is the policy of Temple University to hold events (meetings, conferences and professional gatherings) where physical and communication barriers do not exclude people with disabilities from attending and participating. Presentations must be accessible to all including closed captioning of videos.

8. Attire is business casual.

9. Have fun!

ABSTRACT REQUIREMENTS & INSTRUCTIONS

*If any of the below requirements are not met by submission deadline your abstract will not be considered:

1. Use this link to submit your abstract: http://bit.ly/tughconf
2. Use action words provided on the submission form in your abstract.
3. Any number of authors can present, provided they participated in their research program.
4. The project must be relevantly explained in terms of global health.

***A tripod to present your poster will be provided***
