

# Mid-Atlantic Numerical Analysis Day

A one-day conference on Numerical Analysis and Scientific Computing for graduate students and post-doctorates. A great opportunity to present your research and to meet other young researchers. The meeting features contributed talks and poster presentations.

## Friday, 14 November 2025

 **TEMPLE**  
UNIVERSITY  
Philadelphia, PA

### Keynote Speaker

Mayya Tokman  
University of California, Merced

*Why, What and How of  
Exponential Integration*

#### Meeting website:

<https://cst.temple.edu/departments-mathematics/events/mid-atlantic-numerical-analysis-day>

#### Register online

There is no registration fee, but every participant needs to register in advance.

#### Submit an abstract

For a contributed talk or a poster by 17 October 2024.  
Or simply join as a listener.

**Make your own travel arrangements**  
(see website for directions).

**Email contact:** [naday@temple.edu](mailto:naday@temple.edu)

Organizers: Benjamin Seibold and Daniel B. Szyld

Sponsored by the Department of Mathematics, College of Science and Technology, the Graduate School, Temple University, and the Simons Foundation.
